

Linkin Park - Pts.Of.Athrty (Reanimation)

Tom: G

Os acordes são praticamente os mesmos, tirando o Chorus. O solo principal (tocado nos versos) continua o mesmo, porém muda um pouco o ritmo no final e também o Brad não abafa as cordas como faz na versão original. Basta escutar a musica para notar a diferença e pegar a ordem.

Intro: (Riff Básico da Música):

Chorus:

Letra:

Forfeit the game / Before somebody else
Takes you out of the frame nd puts your name to shame
Cover up your face / You can't run the race
The pace is too fast / You just won't last

You love the way I look at you
While taking pleasure in the awful things you put me through
You take away if I give in
My life
My pride is broken

Refrão:

You like to think your never wrong
{You like to think your never wrong}
You have to act like your some more
{You have to act like your some more}
You want someone to hurt like you
{You want someone to hurt like you}

You want to share what you've been through
{You live what you've learned}

You love the things I say I'll do
The way I'll hurt myself again just to get back at you
you take away when I give in
my life
My pride is broken

Refrão:

You like to think your never wrong
{You like to think your never wrong}
You have to act like your some more
{You have to act like your some more}
You want someone to hurt like you
{You want someone to hurt like you}
You want to share what you've been through
{You live what you've learned}

Forfeit the game / Before somebody else
Takes you out of the frame nd puts your name to shame
Cover up your face / You can't run the race
The pace is too fast / You just won't last

Forfeit the game / Before somebody else
Takes you out of the frame nd puts your name to shame
