

Linkin Park - Pushing Me Away (Remix)

Tom: G

when i look into your eyes
 there's nothing there to see
 nothing but my own mistake
 staring back at me
 i've lied to you
 this is the last smile
 that i'll fake for the sake of being with you

(everything falls apart, even the people who never frown, eventually break down, everything has to end, you'll soon find, we're outta time, left to watch it all unwind)

for the sake of being with you

(everything falls apart, even the people who never frown, eventually break down)

the sacrifice is never knowing

why i stayed with you just push away
 no matter what you see
 you're still so blind to me

i've tried like you
 to do everything you wanted to
 this is the last time
 i'll take the blame for the sake of being with you

(everything falls apart, even the people who never frown, eventually break down)

the sacrifice of hiding in a lie

(everything has to end, you'll soon find, we're outta time, left to watch it all unwind)

the sacrifice is never knowing

why i stayed with you just push away
 no matter what you see
 you're still so blind to me

reverse psychology's
 failing miserably

it's so hard to be
 left all alone

telling you is thee
 only chance for me

there's nothing left but
 to turn and face you

when i look into your eyes
 there's nothing there to see
 nothing but my own mistake
 staring back at me
 asking why.....

the sacrifice of hiding in a lie

the sacrifice is never knowing

why i stayed with you just push away

no matter what you see

you're still so blind to me
