

# Linkin Park - Pushing Me Away (Remix)

Tom: G

when i look into your eyes  
 there's nothing there to see  
 nothing but my own mistake  
 staring back at me  
 i've lied to you  
 this is the last smile  
 that i'll fake for the sake of being with you

(everything falls apart, even the people who never frown, eventually break down, everything has to end, you'll soon find, we're outta time, left to watch it all unwind)

for the sake of being with you

(everything falls apart, even the people who never frown, eventually break down)

the sacrifice is never knowing

why i stayed with you just push away

no matter what you see

you're still so blind to me

i've tried like you

to do everything you wanted to

this is the last time

i'll take the blame for the sake of being with you

(everything falls apart, even the people who never frown, eventually break down)

the sacrifice of hiding in a lie

(everything has to end, you'll soon find, we're outta time, left to watch it all unwind)

the sacrifice is never knowing

why i stayed with you just push away

no matter what you see

you're still so blind to me

reverse psychology's

failing miserably

it's so hard to be

left all alone

telling you is thee

only chance for me

there's nothing left but

to turn and face you

when i look into your eyes

there's nothing there to see

nothing but my own mistake

staring back at me

asking why.....

the sacrifice of hiding in a lie

the sacrifice is never knowing

why i stayed with you just push away

no matter what you see

you're still so blind to me
