

# Linkin Park - Robot Boy

Tom: C

Intro 2x: Bb F C G D

Bb F C G D  
 Ooh ooh ooh ooh ooh  
 Bb F C G D  
 Ooh ooh ooh ooh ooh

Bb F C  
 You say you're not going to fight  
 'Cause no one will fight for you  
 Bb F C  
 And you think there's not enough love  
 And no one to give it to  
 Bb F C  
 And you're sure you've hurt for so long  
 You've got nothing left to lose  
 Bb F C  
 So you say you're not going to fight  
 'Cause no one will fight for you

Bb F C  
 You say the weight of the world  
 Has kept you from letting go

Bb F C  
 And you think compassion's a flaw  
 G D  
 And you'll never let it show  
 Bb F C  
 And you're sure you've hurt in a way  
 G D  
 That no one will ever know  
 Bb F C  
 But someday the weight of the world  
 G D  
 Will give you strength to go

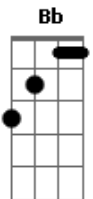

( Bb F C G D ) (2x)

Bb F C  
 Hold on, the weight of the world  
 G D  
 Will give you the strength to go  
 Bb F C  
 So hold on, the weight of the world  
 G D  
 Will give you the strength to go  
 Bb F C  
 So hold on, the weight of the world  
 G D  
 Will give you the strength to go  
 Bb F C  
 Just hold, on the weight of the world  
 G D  
 Will give you the strength to go
