Bb F C
 You say you're not going to fight
 'Cause no one will fight for you
 Bb F C
 And you think there's not enough love
 And no one to give it to
 Bb F C
 And you're sure you've hurt for so long
 You've got nothing left to lose
 Bb F C
 So you say you're not going to fight
 'Cause no one will fight for you

Bb F C
 You say the weight of the world
 Has kept you from letting go

Bb F C
 And you think compassion's a flaw
 G D
 And you'll never let it show
 Bb F C
 And you're sure you've hurt in a way
 G D
 That no one will ever know
 Bb F C
 But someday the weight of the world
 G D
 Will give you strength to go

(Bb F C G D) (2x)

Bb F C
 Hold on, the weight of the world
 G D
 Will give you the strength to go
 Bb F C
 So hold on, the weight of the world
 G D
 Will give you the strength to go
 Bb F C
 So hold on, the weight of the world
 G D
 Will give you the strength to go
 Bb F C
 Just hold, on the weight of the world
 G D
 Will give you the strength to go
