

Linkin Park - Rollin' In The Deep

Tom: A

m

There's a fire starting in my heart
 Reaching a fever pitch, and it's bringing me out the dark
 Finally, I can see you crystal clear
 Go ahead and sell me out and then I'll lay your ship bare
 See how I'll leave with every piece of you
 Don't underestimate the things that I will do
 There's a fire starting in my heart
 Reaching a fever pitch, and it's bringing me out the dark
 The scars of your love remind me of us
 They keep me thinking that we almost had it all
 The scars of your love they leave me breathless
 I can't help feeling

We could have had it all
 Rolling in the deep
 You had my heart inside of your hand
 But you played it
 To the beat

(Am Em G Em)

Baby, I have no story to be told
 But I've heard one of you
 Now I'm gonna make your head burn
 See me in the depths of your despair
 Making a home down there
 'Cause mine sure won't be shared
 The scars of your love remind me of us

They keep me thinking that we almost had it all
 The scars of your love they leave me breathless
 I can't help feeling

We could have had it all
 Rolling in the deep
 You had my heart inside of your hand
 But you played it
 To the beat

We could have had it all
 Rolling in the deep
 You had my heart inside of your hand
 But you played it
 To the beat

(Am G Am G)
 (Am G Am G)

Am
 Throw your soul through every open door
 Count your blessings to find what you look for
 Turn my sorrow into treasured gold
 You'll pay me back in kind and reap just what you sow

(Am G F G)

Am
 You're gonna wish you - never had met me
 Tears are gonna fall, rolling in the deep
 You're gonna wish you - you could have had it all
 We could have had it all
 Rolling in the deep
 You had my heart inside of your hand
 But you played it, played it, played it, played it
 To the beat
