

Linkin Park - The Catalyst

Tom: G

(intro) D D Dm D

Dm
 God bless us everyone
 We're a broken people living under loaded gun
 And it can't be outfought, It can't be outdone
 It can't out matched, It can't be outrun, No

Dm
 God bless us everyone
 We're a broken people living under loaded gun
 And it can't be outfought, It can't be outdone
 It can't out matched, It can't be outrun, No-oh

And when I close my eyes tonight
 To symphonies of blinding light

God bless us everyone
 We're a broken people living under loaded gun, ho oh

Like memories in cold decay
 Transmissions echoing away

Far from the world of you and I
 Where oceans bleed into the sky

Dm
 God save us everyone
 Will we burn inside the fires of a thousand suns?
 For the sins of our hand, the sins of our tongue
 The sins of our father, the sins of our young, No

Dm
 God save us everyone,
 Will we burn inside the fires of a thousand suns?

 The sins of our father, the sins of our young, No-oh

And when I close my eyes tonight
 To symphonies of blinding light

God save us everyone
 Will we burn inside the fires of a thousand suns ho-oh

Like memories in cold decay
 Transmissions echoing away

Far from the world of you and I
 Where oceans bleed into the sky
