## **Linkin Park - Waiting For The End**

Ponte 1: This is not the end, this is not the beginning Just a voice like a riot rocking every revision But you listen to the tone and the violent rhythm Though the words sound steady something empty's within 'em We say yeah, with fists flying up in the air Like we're holding onto something that's invisible there Cause we're living at the mercy of the pain and the fear Until we dead it forget it let it all disappear Waiting for the end to come, wishing I had strength to stand This is not what I had planned, it's out of my control Flying at the speed of light, thoughts were spinning in my So many things were left unsaid, it's hard to let you go Refrão: Dbm7 I know what it takes to move on Dbm7 I know how it feels to lie R All I wanna do is trade this life for something new Holding on to what I haven't got Sitting in an empty room, trying to forget the past

I know what it takes to move on I know how it feels to lie All I wanna do is trade this life for something new Holding on to what I haven't got

## Ponte 2:

What was left when that fire was gone I thought it felt right but that right was wrong All caught up in the eye of the storm And trying to figure out what it's like moving on

And I don't even know what kind of things I said My mouth kept moving and my mind went dead So picking up those pieces now where to begin The hardest part of ending is starting again

Interlúdio: E E7 Dbm7 B

All I wanna do is trade this life for something new Dbm7 Holding on to what I haven't got

This is not the end, this is not the beginning

Just a voice like a riot rocking every revision Dbm7

But you listen to the tone and the violent rhythm

Though the words sound steady something empty's within 'em

We say yeah with fists flying up in the air

Like we're holding onto something that's invisible there Dbm7

Cause we're living at the mercy of the pain and the fear

Until we dead it forget it let it all disappear

## **Acordes**

Refrão:

This was never meant to last I wish it wasn't so
