[Primeira Parte]

F7M                 Em7
Your footsteps on my mattress
F7M                          Em7
Fill up with your absence hm, hm
F7M                   Em7
Your touch left me senseless
F7M                       Em7
Given up on making sense

[Refrão]

F7M
    I need to see you
Em7
    I need know what?s next
F7M                  Em7
    I need to ask you why
F7M
    Wanna see through you
Em7
    Wanna know what comes next
F7M                  Em7
I need to know now

                              F7M
Cause its been going round in my head
                         Em7
And I cannot forget what you said
Yeah it?s been going round
F7M                            Em7
It?s been going round in my head
                         F7M
And you gon say it all in one breath
                         Em7
But this is more than just a mindset
            F7M
You gon say it all, you gon say
                   Em7
It all in one breath

[Segunda Parte]

F7M
Our words between the sheets
Em7
Only valid as long as our bodies heat
F7M
```
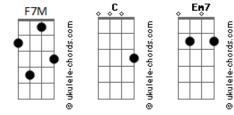

```
I need to pull my head out of the story line
Em7
And let it write itself from time to time

F7M
Seasons high and low
Em7                              F7M
Your moving through them rather fast than slow

Let me go
      Em7
You fold us close, Hm, hm, hm
