

# Lionel Richie - Hello, Don't Speak

Tom: C

m

You and me  
 We used to be together  
 Everyday together  
 Always  
 I really feel  
 That I'm losing my best friend  
 I can't believe  
 This could be the end  
 It looks as though

You're letting go  
 And if it's real  
 Well I don't want to know

Don't Speak  
 I know just what you're saying  
 So please stop explaining  
 Don't tell me cause it hurts

Don't Speak  
 I know what you're thinking  
 I don't need your reasons  
 Don't tell me cause it hurts

You and me  
 I can see us dying... are we?

I've been alone with you  
 Inside my mind  
 And in my dreams I've kissed your lips  
 A thousand times  
 I sometimes see you  
 Pass outside my door

Hello!  
 Is it me you're looking for?

I can see it in your eyes  
 I can see it in your smile

You're all I've ever wanted  
 And my arms are open wide  
 'cause you know just what to say  
 And you know just what to do  
 And I want to tell you so much  
 I love you

As we die,  
 both you and I  
 With my head in my hands I sit and cry

You and me  
 I can see us dying... are we?

Hello!  
 Is it me you're looking for?

I can see it in your eyes  
 I can see it in your smile  
 You're all I've ever wanted  
 And my arms are open wide

'cause you know just what to say  
 And you know just what to do  
 And I want to tell you so much  
 I love you

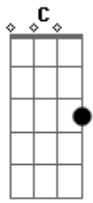

And if you have a minute why don't we go  
 Talk about it somewhere only we know  
 This could be the end of everything  
 So why don't we go  
 Somewhere only we know

If I could find a way to see this straight  
 I'd run away  
 To some fortune that I I should have found by now

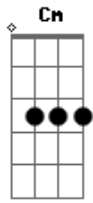

And so I run out to the things they said could restore me  
 Restore life the way it should be  
 Im waiting for this cough syrup to come down

Lifes too short to even care at all oh  
 Im losing my mind losing my mind losing control
