

## **Lionel Richie - Hello**

```
B Abm B
Intro: Abm B E B (2x)
                                                    Hello!
   Abm
                                                    I've just got to let you know
I've been alone with you
    E B
Inside my mind
                                                    {\rm \acute{c}ause} I wonder where you are
 Abm
And in my dreams I've kissed your lips
                                                    And I wonder what you do
A thousand times
                                                    Are you somewhere feeling lonely?
     Abm
                                                       Abm Gb B C
                                                    Or is someone loving you?
    I sometimes see you
B E B
Pass outside my door
                                                    Tell me_how to win your heart
   Abm B
                                                        B E
                                                    For I haven't got a clue
Hello!
   Е
Is it me you're looking for?
                                                    But let me start by saying
                                                       Abm B E
                                                    I love you
    Dbm
I can see it in your eyes
     В
                                                    Abm B E B
I can see it in your smile
                                                    (solo)
  A Eb7
You're all I've ever wanted
  Abm Gb B C
                                                      Abm
And my arms are open wide
                                                    Hello!
                                                    Is it me you're looking for?
'cause you know just what to say
                                                           Dbm
                                                    ´cause I wonder where you are
   В
And you know just what to do
                                                      В Е
                                                    And I wonder what you do
And I want to tell you so much
                                                     Α
   Abm B E B
                                                    Are you somewhere feeling lonely?
I love you
                                                        Abm Gb B
                                                    Or is someone loving you?
Abm B E B
                 В
                                                    Tell me how to win your heart
I long to see the sunlight in your hair
                                                       В
                                                    For I haven't got a clue
B Abm B
   And tell you time and time again
                                                    But let me start by saying
How much I care
                                                      Abm B E B Abm
                                                    I love you
Sometimes I feel my heart will overflow
```
