

# Lionel Richie - I Love You

Tom: C  
Intro: Am G F

Am  
Here I finally come to stand  
G F  
My pen and paper in hand to write to you

Am  
To tell you what I feel inside  
G F  
To say to you I can't survive without you

Am  
For all the things I've come to see  
G F  
I now believe there's only you, only you for me

Am  
I'm standing here so lost in you  
G F  
That's all my heart and soul can do is say what's true

I love you Am G F

I love you Am G F

( Am G F )

The first time I looked in your eyes  
It was so clear to my surprise, my heart stood still

I've eheard it time and time again  
That when you fall you can't pretend, true love is real

I know with you I do belong  
You are my voice my simple song  
You're all I need

The joy I feel when love is blind  
You're everything I need to find  
My search is through

Babe I love you  
I love you  
Babe I love you  
I love you

Cause I know with you I do belong  
You are my voice my simple song  
You're all I need

And the joy I feel when love is blind  
You're everything I need to find  
My search is through

Babe I love you  
I love you

## Acordes
