

Lionel Richie - Just For You

tom:

Intro: G D A G D A

Golden days, life was play

Pain was all a world away

We went to school we learned the rules

We trusted all they had to say

Then life took a turn

We had to learn

And we can't go back again

And my heart is breaking? Just for you, just for you

And my arms are open. just for you just for you

Just for you

God was god, dreams were dreams

Life was all big and I scream

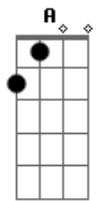

Truths were true and lies were lies

We thought love would never die

But the world moved on

My illusions gone

And I dont know who to blame

And my heart is breaking. Just for you just for you

And my arms are open. just for you just for you

And these tears I m crying are just for you just for you

Just for you

I'm looking for protection

Give me shelter from the storm

I just hope this light inside me keeps me strong

oooohh ohhhh

And my heart is breaking. Just for you just for you

And my arms are open. just for you just for you

And these tears I m crying are just for you just for you
