

# Lipe Pug - Dark Little Forest

tom:

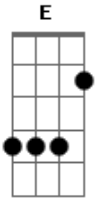

E (forma dos acordes no tom de C )

Capostrate na 4ª casa

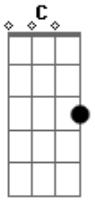

And here, atop the hill so high  
 Lived an old man, now his house is mine  
 He gave it to me before I arrived  
 On the hill, the pasture was fine, his sheep were alive  
 But I sold them all, every woolly one

There was a carrot patch, now it's gone  
 The old dusty shack, cold and bare  
 I turned it into something rare  
 The dark little forest now shines at night  
 With lanterns hung, casting light  
 And at the cliff's edge, a fence so strong  
 A beacon so bright, no sailor goes wrong
