

Lisa Cimorelli - I Don't Deserve It

tom:

G

[Primeira Parte]

I wanna look confident
I wanna be tough
I spent 24 years alone
Hiding from everyone
But then you came along
And we fell in love
I'm not used to being seen
This much by anyone

[Pré-Refrão]

I've been invisible
Since I was a child
I'm good at comforting myself
When I cry
And all this time I didn't know
The reason why
But I can see it now
With you by my side

[Refrão]

When you look at me
When you ask me how I'm doing
When you take the time to get to know me
It's all too much
When you talk to me
It's the simple things that kill me
And I love the way you love me
But I feel like I don't deserve it
I don't deserve it

[Segunda Parte]

The way I see myself
It isn't right
Undeserving, so unworthy
Of a minute of your time
And I can't just be myself
I try so hard
I want to earn love and affection

So I play my part

[Pré-Refrão]

I've been invisible
Since I was a child
It's hard to sit here now
And let you see me cry
And yeah, it's painful
Always keeping this inside
But when you look into my eyes
I wanna run and hide

[Refrão]

When you look at me
When you ask me how I'm doing
When you take the time to get to know me
It's all too much
When you talk to me
It's the simple things that kill me
And I love the way you love me
But I feel like I don't deserve it

[Ponte]

I feel like I deserve to be alone
I feel like I'm worse than everyone
And I've always felt this way
But you still love me as I am
You still want me
And I just don't understand

[Refrão]

When you look at me
When you ask me how I'm doing
When you take the time to get to know me
It's all too much
When you talk to me
It's the simple things that kill me
And I love the way you love me
But I feel like I don't deserve it
When you look at me
When you ask me how I'm doing
When you take the time to get to know me

It's all too much
