

Lisa Marie Presley - Over Me

Tom: C
Intro: Em G Em G

Em G Em G Em
I've seen her face, it's okay, really nothing great
C Em C Em
Yeah, she's cool in a gap-toothed hippy chick way

Em G Em G Em
I've seen the way you and she put on a play
C Em C Em A
And how she plays the part much better than I played

C Am
Can it be you're over me
C Am
She took my place, she saved the day

C Am
It's hard to see you're over me
G C Am C Am Em
When she took my place she saved the day

Em G Em G Em
I've see that she, she likes to eat whatever you make
C Em C Em
And how well she can bake that cake I wouldn't bake
C Em C Em A

What a breath of fresh air she is in my wake

C Am
Can it be you're over me
C Am
She took my place, she saved the day

C Am
It's hard to see you're over me
G C Am C Am Em
When she took my place she saved the day

Em G
You hope there's no bad blood
A Am Em
You want to be my friend who to say "hi" now and then

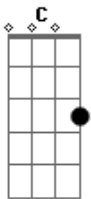

Em G
You know there's very bad blood

A Am
And I was never your friend, who to say "hi"

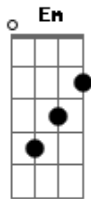

C Am
Can it be you're over me
C Am
She took my place, she saved the day

C Am
It's hard to see you're over me
G C Am C Am Em
When she took my place she saved the day
