Tom: F

**F7M**  
 Never mind the stars in the sky  
**G7**  
 Never mind the when and the why  
**F7M**  
 Got a feeling higher than high  
**G7** **Dm7** **Em7**  
 This is the real thing  
**Dm7** **Em7** **A**  
 This is the real thing

**Dm7** **Em7**  
 No more living in shame  
**Dm7** **Em7**  
 And I'm not gonna run or gonna hide away  
**Dm7** **Em7**  
 No more telling all those lies  
**Dm7** **Em7** **A**  
 It's been too long  
**Dm7** **Em7**  
 No more living in chains  
**Dm7** **Em7**  
 No, I don't give a damn whet the people say  
**Dm7** **Em7**  
 There's no use holding back desire  
**Dm7** **Em7** **A**  
 We've burnt our fingers now lets jump into the flames

(Chorus)

**Fm7**  
 Never mind the stars in the sky  
**Gm7**  
 Never mind the when and the why  
**Fm7**  
 Got a feeling higher than high  
**Gm7**  
 This is the real thing  
**Fm7**  
 Never mind the rain and the storm  
**Gm7**  
 We'll keep each other warm  
**Fm7**  
 We got something stronger than strong  
**Gm7** **C**  
 This is the real thing

**Dm7** **Em7**  
 Gonna walk out hand in hand  
**Dm7** **Em7**  
 So let them criticise 'cos they don't understand  
**Dm7** **Em7**

We've got nothing to hide  
**Dm7** **Em7** **A**  
 It's just love  
**Dm7** **Em7**  
 I've had enough of shy  
**Dm7** **Em7**  
 So let's go out and show them what we have inside  
**Dm7** **Em7**  
 There's no use holding back desire
