

Lisa Stansfield - The Real Thing

```
Tom: F
  F7M
Never mind the stars in the sky
Never mind the when and the why
Got a feeling higher than high
                       Dm7 Em7
This is the real thing
            Dm7
                   Em7 A
This is the real thing
        Dm7
               Fm7
No more living in shame
   Dm7
And I'm not gonna run or gonna hide away
        Dm7
                       Em7
No more telling all those lies
               Dm7 Em7 A
It's been too long
                Ēm7
        Dm7
No more living in chains
   Dm7
                               Fm7
No, I don't give a damn whet the people say
                          Em7
There's no use holding back desire
We've burnt our fingers now lets jump into the flames
(Chorus)
Fm7
Never mind the stars in the sky
Never mind the when and the why
Got a feeling higher than high
This is the real thing
Fm7
Never mind the rain and the storm
Gm7
We'll keep each other warm
We got something stronger than strong
Gm7
            C
This is the real thing
Gonna walk out hand in hand
                                   Fm7
   Dm7
So let them criticise 'cos they don't understand
                   Em7
```

```
We've got nothing to hide
           Dm7 Em7 A
It's just love
                  Fm7
           Dm7
I've had enough of shy
    Dm7
So let's go out and show them what we have inside
Dm7
                            Fm7
There's no use holding back desire
                                 Em7
We've burnt our fingers now let's jump into tho fire
(Chorus)
