

# Little Joy - Play The Part

Tom: D  
Intro: D Gbm G Gm D Gm D

D Gbm G  
Spending time  
Convinced that it's mine with her  
Just to keep her out of mind

Em7 A7  
Still I'll take care to see  
Which way the wind blows  
Notice how her hair curls

A7  
Pay no mind  
To the clown who sits to your side  
Content to yield despite pride

A7 D7M/9  
He is a fool to assume you'd spare a thought

D7-  
I'm a thief who's just been caught  
And I don't find it funny anymore

G Bb  
And so I won't play the part  
I played before  
Oh, no...  
Not to you

G Gm D7M/9  
I don't see you laughing anyway  
And so I won't play a part  
In your mistake  
No way  
Not unless you stay

( G Gm Gbm F Em7 A7 D7M/9 )
