

Little Mix - Beep Beep

```
Tom: A
                                                               People on the street watch us in the backseat, oh (Beep beep,
 (com acordes na forma de G )
                                                               oh oh)
Capostraste na 2º casa
                                                                [Pre-chorus]
Intro: E
Beep beep, oh oh, beep beep, oh oh
                                                                Oh baby baby
[Verse 1]
                                                                There's something 'bout your love and affection, oh oh oh
 I'm stuck in traffic, bumper to bumper babe
                                                                I'm going crazy
My leather jacket smells like your aftershave
                                                                The thought of you is driving me wild, oh oh oh
All I wanna do is get your hands up on my booty (Beep beep, oh
[Verse 2]
                                                                'Cause I love, love, love making love to you
 I blew my engine, I think I popped the stick
                                                                But I'm stuck, stuck, stuck on the 202
 Too busy dreaming, of jumping on your (dick)
                                                                Won't you help me, help me?
To get me turning good, you need to check under the hood babe
                                                               Just want to (fuck) you tonight (Beep beep, oh oh)
(Beep beep, oh oh)
                                                                Baby, pump, pump, pump, 'cause I'm in a jam
[Pre-chorus]
                                                                Give me a jump, jump, jump, make it start again
Oh baby baby
                                                               Won't you help me, help me?
There's something about your love and affection, oh oh oh
                                                               Just want to (fuck) you tonight (Beep beep, oh oh)
I'm going crazy
                                                                [Bridge]
The thought of you is driving me wild, oh oh oh
                                                                I'll push that pedal 'til it's gone through the floor
[Chorus]
                                                                I'm burning reds like I would run from the law
'Cause I love, love, love making love to you
                                                                I'll push that pedal 'til it's gone through the floor
But I'm stuck, stuck, stuck on the 202
                                                                I'm burning reds like I would run from the law
Won't you help me, help me?
                                                                [Chorus]
Just want to (fuck) you tonight (Beep beep, oh oh)
                                                                'Cause I love, love, love making love to you
Baby, pump, pump, 'cause I'm in a jam
                                                                But I'm stuck, stuck, stuck on the 202
Give me a jump, jump, jump, make it start again
                                                                Won't you help me, help me?
Won't you help me, help me?
                                                                Just want to (fuck) you tonight (Beep beep, oh oh)
Just want to (fuck) you tonight (Beep beep, oh oh)
                                                                Baby, pump, pump, 'cause I'm in a jam
                                                                Give me a jump, jump, jump, make it start again
Boy you're so sexy, just like your Cadillac
                                                               Won't you help me, help me?
 Just come and get me, 'cause I can't hold it back
                                                                Just want to (fuck) you tonight (Beep beep, oh oh)
