

# Little Mix - Between Us

tom:

D

Em

When the curtains close and all of the lights go down

C

Safe to say I'll stay, I will always stick around

D Em

And I will fix your crown

C

And if you're knocked, I'm your rock

D

I won't stop, you will never be in doubt, in doubt

D

Like, damn, we got history

Em

Shared every misery

Em

Lived every victory

C

Yeah, we got synergy

C

If they hurt you, they hurting me

D

That's just the way it be

D

We walked through the fire

Em

And as the flames got higher

C

It made us survivors

C

Yeah it made us fighters, fighters

C D

So, here's my vow

Em

Starting from her? and now

C

Nothing comes between us

C

Nothing comes b?tween us

C D Em

I swear that we won't lose this thing we found

C

'Cause love will never leave us

C

Nothing comes between us, between us

D Em C

Us, us, us

(Nothing comes between us)

D Em C

Us, us, us

D Em

Remember the day when we finally found our wings?

C

It changed our lives, gave us power to do anything

D Em

And any time they break us down (Break us down)

C

We bounce back, every track, had your back

C

So you'll never be in doubt (Never be in), doubt

D

Damn, we got history (Yeah)

Em

In all these sweet melodies (Yeah)

Em
