

Little Mix - DNA

Tom: C

Does he tell you he loves you when you least expect it'
 Does he flutter your heart when he kisses your neck
 No scientist, or biology
 It's obvious, when he's holding me
 It's only natural that I'm so affected

Ohh

And my heart won't beat again
 If I can't feel him in my veins
 No need to question, I already know

It's in his DNA
 D|-d-d-dna
 It's in his DNA
 And he just takes my breath away

I feel it every day, and that's what makes a man
 Not hard to understand

Perfect in every way
 I see it in his face
 Nothing more to say
 It's in his d-d-d-dna

It's the blue in his eyes that helps me see the future
 Fingerprints that leave me covered for days, yeah hey yeah
 Now I don't have any first degree
 But I know, what he does to me
 No need to work it out, it's so familiar

Ohh

And my heart won't beat again
 If I can't feel him in my veins
 No need to question, I already know

It's in his DNA
 D|-d-d-dna
 It's in his DNA
 And he just takes my breath away

I feel it every day, and that's what makes a man
 Not hard to understand
 Perfect in every way
 I see it in his face
 Nothing more to say
 It's in his d-d-d-dna

It's all about his kiss
 Contaminates my lips
 Our energy connects
 It's simple genetics
 I'm the x to his y
 It's the colour of his eyes
 He can do no wrong
 No he don't need to try
 Made from the best
 He passes all the tests
 Got my heart beating fast
 It's cardiac arrest
 He's from a different strain
 That science can't explain
 I guess that's how he's made
 In his d-d-d-dna

Ohh, ohhhhh
 Ohh, ohhhhh
 ohh, ohhhhh
 ohh, ohhhhh

It's in his DNA
 D|-d-d-dna
 It's in his DNA
 And he just takes my breath away

I feel it every day, and that's what makes a man
 Not hard to understand

Perfect in every way
 I see it in his face
 Nothing more to say
 It's in his d-d-d-dna
