Am
Sick of you playing on the xbox thing
F
You're never gonna get me with the diamond ring
Dm
Look at you so confused
No you don't have a clue
E
I bet you think you got me good

Am
So tell me when's the last time you changed that shirt?
F
Instead of sitting here you should be going to work
Dm
Like I do for you, your down and it's not cool
E
Time for me to move on
Nothing I could do so

Am F
Leave, you're not the boy you said you'd be
Dm
And it's so hard for me to breathe
E
How can I love you boy if you're going nowhere
We're going nowhere

Am F
Bye, don't have the strength to see you cry
Dm
I'm tired of asking myself why
E
How can I love you boy if you're going nowhere
We're going nowhere

Am
How am I supposed to look at you like that?
F
When all you ever really do is hold me back
Dm
No more for sure
It's you who's out the door
E
I think I should press delete and clear my history

Am
I got my ambitions, yes I dream so big
F
While I'm ticking boxes you'll be counting sheep
Dm
So you, do you and I'll be me
E

Time for me to move on
Nothing left to see so

Am F
Leave, you're not the boy you said you'd be

All you do is pull me down
I wish you good luck as from now I ain't around
F
See, I can recollect every other rain fall
But I stayed here, unchanged, that's my only downfall (ohh)
Dm
Little boy boy pull your trousers up, alright bruv
I just have some respect(yeeah)
E
Are you a man or a mouse?
You don't provide or protect
Stay stuck in the mud, I'll be on to the next
