

Little Mix - I Will Wait

Tom: F
Intro: F Bb F C

Well I came home
Like a stone
And I fell heavy into your arms
These days of darkness
Which we've known
Will blow away with this new sun

Pre-Chorus:
And I'll kneel down
Wait for now
And I'll kneel down
Know my ground

Chorus:
I will wait, I will wait for you!
And I will wait, I will wait for you!

So break my step
And relent
You forgave and I won't forget
Know what we've seen
And him with less
Now in some way, shake the excess
I will wait, I will wait for you!

And I will wait, I will wait for you!
I will wait, I will wait for you!
And I will wait, I will wait for you!

Now I'll be bold
As well as strong
Use my head alongside my heart
So take my flesh
And fix my eyes
That tethered mind free from the lies

And I'll kneel down
Wait for now
And I'll kneel down
Know my ground

I wait for you (2x)

Raise my hands
Paint my spirit gold
And bow my head
Keep my heart slow

I will wait, I will wait for you! (I will wait for you)
And I will wait, I will wait for you! (For you, for you)
I will wait, I will wait for you!
And I will wait, I will wait for you!

Wait for you
