

# Little Mix - Love Me Like You

Tom: G

Am C D  
Sha-la-la-la

G  
He might got the biggest ca-a-ar,  
Don't mean he can drive me wild,  
Or he can go for miles

G  
Say he got a lotta ca-a-ash,  
Darlin' he can't buy my love,  
It's you I'm dreaming o-of.

B  
They tried to romance me but  
You got got that nasty, and that's what I want  
So baby, baby, come and save me  
Don't need those other lovers when I've got my number one

G  
Last night, I layed in bed so blue  
'Cause I realised the truth, they can't love me like you  
I tried to find somebody new  
Baby they ain't got a clue, they can't love me like you

G  
Used to get it when I wa-a-ant  
You were pouring out your love,  
I can never get enough  
Now I'm dealing with these bo-o-oys  
When I really need a man,

Who can do it like I can

B  
They tried to romance me but  
You got got that nasty, and that's what I want  
So baby, baby, come and save me  
Don't need those other lovers when I've got my number one

G  
Last night, I layed in bed so blue  
'Cause I realised the truth, they can't love me like you  
I tried to find somebody new  
Baby they ain't got a clue, they can't love me like you

G  
L-O-V-E Love the way you give it to me

G  
L-O-V-E Love the way you give it to me  
Last night, I layed in bed so blue  
'Cause I realised the truth, they can't love me like you  
I tried to find somebody new  
Baby they ain't got a clue, they can't love me like you

G  
Last night, I layed in bed so blue  
'Cause I realised the truth, they can't love me like you  
(No chords in the song but you can still play...)

G  
I tried to find somebody new  
Baby they ain't got a clue, they can't love me like you

## Acordes
