Tom: G

Am C D
Sha-la-la-la

G
He might got the biggest ca-a-ar,
Don't mean he can drive me wild,
Or he can go for miles

G
Say he got a lotta ca-a-ash,
Darlin' he can't buy my love,
It's you I'm dreaming o-of.

B
They tried to romance me but
You got got that nasty, and that's what I want
So baby, baby, come and save me
Don't need those other lovers when I've got my number one

G
Last night, I layed in bed so blue
'Cause I realised the truth, they can't love me like you
I tried to find somebody new
Baby they ain't got a clue, they can't love me like you

G
Used to get it when I wa-a-ant
You were pouring out your love,
I can never get enough
Now I'm dealing with these bo-o-oys
When I really need a man,

Who can do it like I can

B
They tried to romance me but
You got got that nasty, and that's what I want
So baby, baby, come and save me
Don't need those other lovers when I've got my number one

G
Last night, I layed in bed so blue
'Cause I realised the truth, they can't love me like you
I tried to find somebody new
Baby they ain't got a clue, they can't love me like you
