Down on your knees

Gb **Bm**
How does it feel?

Bm
To think that you gave all you could
Bm
Wish she cared thought she would

Gbm
I'll be the ears you talk to,
Gbm
The doors you walk through,
Gbm
The arms to hold on to,
Gbm
You're safe with me

Your heart's been stolen
Bm
Eyes weren't open
Bm
Trust is broken
Gbm
But I'll make you believe again
Gb
Make you stronger

So we'll live longer

You've lost your faith in love
Gbm
But I'll make you believe again

Where do you run?
