

Little Mix - Monster In Me

```
Tom: G
            [Primeira Parte]
Beautiful creatures, you and me
Every time that we touch, it's dangerous
This spark is more than chemistry
Beautiful liars, drowning deep
Every night we fight and it's hot like hell
But it feels like Heaven between the sheets
[Pré-Refrão]
Every time we let go
I scream and I call for more
[Refrão]
Touch me
Why don't we kill each other slowly?
What can I say? Baby, what can I do?
The monster in me loves the monster in you
Hold me
                Gbm
Squeeze a little tighter 'til we can't breathe
What can I say, baby, what can I do?
The monster in me loves the monster in you
Monster in me, mmm, mmm, ayy, ayy
Loves the monster in you, mmm, mmm, ayy, ayy
[Segunda Parte]
Beautiful killer, cut me deep
Just a single kiss and I'm in your spell
Boy, you go in like I never seen
D A E
Beautiful fire, love the heat, mmm
Every night we fight and it's hot like hell
But I love the way that you make me scream
[Pré-Refrão]
And every time I let go
I cry and I beg for more, more
[Refrão]
Touch me
Why don't we kill each other slowly?

[Pontel
Every moment we spend
Turning from friends to enemies
And fighting to hold on to each other
Every second we fall to fire below
It's so beautiful
The hell that we both made for each other
But it's all love and war
Louder we roar
Crying for more
I know it's so wrong, but baby, just
[Refrão]
