

# Little Mix - More Than Words

Tom: C

[Primeira Parte]

When you think, when you think, when you think you're alo-o-one  
I'll be-be-be like a ghost behind you  
When you're down, when you're down  
When you're down and you can't find the things to say  
You know I'll give my words to you-you  
When the sea, when the seasons change  
And the sun shines on-on your face  
Yeah, I-I-I'll be there with you, you, you, you, you  
You're a part, you're a part for me now  
Ju-ju-ju-just as mu-mu-much as I'm a part of you

[Pré-Refrão]

I find peace in every story you told  
I think of you, I'll never be alone  
It's true, true, true  
You know I do, do, do

[Refrão]

Oh, I need you more than words can say  
Oh, you save me in ways that I can't explain  
Always been there for me, now I'll do the same  
Oh, I need you more than words can say

[Segunda Parte]

Won't forget, won't forget  
Won't forget when he bro-o-oke my heart  
Ho-o-o-ow you helped me through  
You turned, you turned, you turned a disaster into a dream  
Gave me the power, made my life brand ne-e-w

(When the world try to break us, we found magic  
And we grew stronger, though every line, line, l-line, line, line)  
Every night, every night, every night  
I stand and sing the truth  
Now-now they know that they gon' be alright, alright

[Pré-Refrão]

I find peace in every story you told  
I think of you, I'll never be alone  
It's true, true, true  
You know I do, do, do

[Refrão]

Oh, I need you more than words can say  
Oh, you save me in ways that I can't explain (oh-woah-oh)  
Always been there for me, now I'll do the same  
Oh, I need you more than words can say

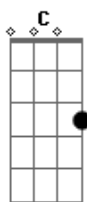

[Ponte]

Oh-woah-oh, yeah  
I find peace in every story you told  
I think of you, I'll never be alone  
Oh, it's true  
You know I do, yeah

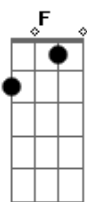

[Refrão]

Oh, I need you more than words can say (more than words can say)  
Oh, you save me in ways that I can't explain (ways that I can't explain, baby)  
Always been there for me, now I'll do the same (always been there for me, now I'll do the same)  
Oh, I need you more than words can say  
Oh, I need you more than words can say
