

# Little Mix - Move

Tom: Db

Ab (todo o verso)  
 Hey baby  
 Tell me your name  
 I gotta fever for you  
 I just can't explain  
 But there's just one problem  
 I'm a bit old school  
 When it comes to lovin'  
 I ain't chasing you  
 Been waiting  
 I'm on a roll  
 You've got to let yourself go

Ab  
 Whoa  
 Db You know that I've been waiting for you Ab  
 Db Don't leave me standing all by myself Ab  
 Db Cause I ain't looking at no one else Ab

Ab (todo o refrão)  
 Hey  
 Get your back off the wall  
 Don't you get comfortable  
 Looking so hot  
 I think that I might fall  
 Feeling like it's my birthday  
 Like Christmas day came early  
 Just what I want  
 So when we move  
 You move

Ab (Todo o verso)  
 Hey  
 Get your back off the wall  
 Don't you get comfortable  
 Looking so hot  
 I think that I might fall  
 Feeling like it's my birthday  
 Like Christmas day came early  
 Just what I want  
 So when we move  
 You move

Ab (todo o verso)  
 Oh silly  
 Why you afraid  
 Don't be a big baby  
 Quit playing games  
 And put your arms around me  
 You know what to do  
 And we can take it down low

Ab  
 Whoa  
 Db You know that I've been waiting for you Ab  
 Db Don't leave me standing all by myself Ab  
 Db Cause I ain't looking at no one else Ab  
 Looking at no one else

Ab  
 Hey  
 Get your back off the wall  
 Don't you get comfortable  
 Looking so hot  
 I think that I might fall  
 Feeling like it's my birthday  
 Like Christmas day came early  
 Just what I want  
 So when we move  
 You move

Ab  
 Hey  
 Get your back off the wall  
 Don't you get comfortable  
 Looking so hot  
 I think that I might fall  
 Feeling like it's my birthday  
 Like Christmas day came early  
 Just what I want  
 So when we move  
 You move

Ab  
 I know that you wanna  
 But you can't cause you gotta  
 Db Stay cool in the corner Ab  
 When the truth is that you wanna move Ab  
 So move  
 I know that you wanna  
 But you can't cause you gotta  
 Db Stay cool in the corner Ab

When the truth is that you wanna move Ab  
 So move

 Don't you know a girl  
 Like a boy who move  
 Ab Hey! Hey!
