

Little Mix - My Love Won't Let You Down

tom: C

If you're cold and alone when you wake C G
Making all of the same mistakes Am C
When your hearts given all that it had F C
But they say they don't love you back Dm G

When the party's over and your friends have all gone C G
And you're wondering where it all went wrong Am C
I'll come runnin' when you call out my name F C
And it'll always be this way Dm C

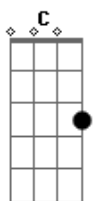

[Refrão]

I'll be there for you F C
No matter what you're goin' through G E Am
I'll be there with you F C
Anytime that you need me to G E Am
When there's no one else around G E Am
On your last breath callin' out G F Fm C
Trust me, my love won't let you down C G
Yeah, I know you've been losin' the fight Am C
You been knocked down a million times F C
Screamin' out, you don't know what to do

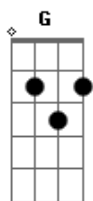

That's when I'll be right next to you Dm G
We can sit on the edge of your bed C G
Tell me all of the fears in your head Am C
And I'll sing you your favourite song F C
'Til the pain and all the tears are all gone Dm C
[Refrão]

I'll be there with you (I'll be there) F C
No matter what you're going through (no) G E Am
I'll be there with you (with you, oh) F C
Anytime that you need me to (I'll be there) G E Am
When there's no one else around (nobody else around) G F C
On your last breath callin' out (I'll be callin' out) G F Fm Am
Trust me, my love won't let you down G E Am
No matter what you're going through (no matter what you're goin' through) F C
I'll be there with you (I'll be there) G E Am
Anytime that you need me to G F C
When there's no one else around (nobody else around) G E Am
On your last breath callin' out G F Fm C
Trust me, my love won't let you down
Trust me, my love won't let you down
