

Little Mix - My Love Won't Let You Down

tom: If you're cold and alone when you wake Making all of the same mistakes When your hearts given all that it had But they say they don't love you back When the party's over and your friends have all gone And you're wondering where it all went wrong I'll come runnin' when you call out my name $% \left(1\right) =\left(1\right) \left(1\right) \left($ And it'll always be this way [Refrão] I'll be there for you No matter what you're goin' through I'll be there with you G E Anytime that you need me to When there's no one else around On your last breath callin' out G F Fm C
Trust me, my love won't let you down Yeah, I know you've been losin' the fight You been knocked down a million times Screamin' out, you don't know what to do

That's when I'll be right next to you We can sit on the edge of your bed Tell me all of the fears in your head And I'll sing you your favourite song 'Til the pain and all the tears are all gone [Refrão] I'll be there with you (I'll be there) No matter what you're going through (no) I'll be there with you (with you, oh) G E Am Anytime that you need me to (I'll be there) When there's no one else around (nobody else around) G E Am On your last breath callin' out (I'll be callin' out) G F Fm Am
Trust me, my love won't let you down E Am No matter what you're going through (no matter what you're goin' through) I'll be there with you (I'll be there) Anytime that you need me to When there's no one else around (nobody else around) On your last breath callin' out Trust me, my love won't let you down Trust me, my love won't let you down
