Tom: Bb

(com acordes na forma de G)

Capostrate na 3ª casa

Intro: C Em D

Verse 1:

I keep trying, nothing's working

I still wanna know, If you're alone

I keep trying to put this behind me

I still wanna know, who's taking you home

Pre-chorus:

For tonight I'm going to get my mind off it

Don't care that someone's got his hands all over my body

Stay out all night, go where the music is loud,

So I don't have to think about it, I'm beggin' please don't play

Chorus:

No more! Sad songs

No more! Sad songs

No more! Sad songs, I'm beggin' please don't play

No more! Sad songs

No more! Sad songs

No more! Sad songs, I'm beggin' please don't play

No more sad songs

Verse 2:

Dancing with danger, talking to strangers

Don't care where I go, just can't be alone

They'll never know me, like you used to know me, no

Pre-chorus:

For tonight I'm going to get my mind off it

Don't care that someone's got his hands all over my body

Stay out all night, go where the music is loud,

So I don't have to think about it, I'm beggin' please don't play

Chorus:

No more! Sad songs

No more! Sad songs

No more! Sad songs, I'm beggin' please don't play

No more! Sad songs

No more! Sad songs

No more! Sad songs, I'm beggin' please don't play

No more sad songs

Rap:

Taste

Of the good life, can you keep pace? Can you

Ride shotgun in the fast lane with your eyes wide shut?

Tell me, do you have faith in me?

Stay

The whole night 'til you feel the sun rays, can you

Forget everything your man sayin'

And let all of our pain be the champagne?

Let me take the wheel from here

And penthouse suite, chill from here

Show you the realest years, stare at the skies with you
Only got eyes for you

Even when the light's off, I'm visualizing you

I see your wonderwall, I get close to you
I watch you let it fall and get it emotional

Erase the past, we are free at last

I'm beggin' please don't play

Chorus:

No more! Sad songs

No more! Sad songs

No more! Sad songs, I'm beggin' please don't play

No more! Sad songs

No more! Sad songs

No more! Sad songs, I'm beggin' please don't play

No more sad songs, no more sad songs, no more sad songs

No more sad songs, no more sad songs, no more sad songs

No more sad songs
