

# Little Mix - Pretend It's Ok

Tom: C

What would you do? What would you say?  
 How does it feel? Pretend it's OK  
 My eyes deceive me, but it's still the same  
 Pretend it's OK

I remember the day when we were out all night  
 I wish that I can get the day back and tell you it's alright  
 Cause we all do the same thing, we just don't realize  
 That we're living on borrowed time

What would you do? What would you say?  
 How does it feel? Pretend it's OK  
 My eyes deceive me, but it's still the same  
 Pretend it's OK

I see the light that I'm chasing  
 A memory, but it's fading  
 When it's gone I'll be waiting  
 Knowing it's too late (knowing it's too late)  
 You chose the road that I'm walking  
 Now it's your soul that I'm caught in  
 And you're not hearing when I'm calling  
 Calling your name

One breath, one step, one life, one heart  
 Two words, two eyes, new beginning, new start  
 Too neat, too narrow, too short, too bright,

I'm there with you, here by my side  
 What would you do? What would you say?  
 How does it feel? Pretend it's OK  
 My eyes deceive me, but it's still the same  
 Pretend it's OK

Nothing here, no one talking, knowing it's too late  
 But sometimes it can get so hard pretending it's OK  
 Nothing here, no one talking, nothing's gonna change  
 But sometimes it can get so hard pretending it's OK

What would you do? (what would you do?)  
 What would you say? (what would you say?)  
 How does it feel? Pretend it's OK  
 My eyes deceive me, but it's still the same  
 Pretend it's OK

What would you do? (what would you do?)  
 What would you say? (what would you say?)  
 How does it feel? Pretend it's OK  
 My eyes deceive me, but it's still the same  
 Pretend it's OK

Oh yeah  
 What would you do? What would you say?  
 Pretending it's OK  
 What would you do? What would you say?
