

# Little Mix - Salute

Tom: C

Ladies all across the world  
Listen up, we're looking for recruits  
If you're with me, let me see your hands  
Stand up and salute  
Get your killer heels, sneakers, pumps or lace up your boots  
Representing all the women, salute, salute!

[Jade:]

Ladies all across the world  
Listen up, we're looking for recruits  
If you're with me, let me see your hands  
Stand up and salute  
Get your killer heels, sneakers, pumps or lace up your boots  
Representing all the women, salute, salute!

[All:]  
It's who we are  
We don't need no camouflage  
It's the female federal  
And we're taking off  
If you with me, women let me hear you say

Ladies all across the world  
Listen up, we're looking for recruits  
If you're with me, let me see your hands  
Stand up and salute  
Get your killer heels, sneakers, pumps or lace up your boots  
Representing all the women, salute, salute!

Attention! (Salute)  
Attention! (Salute)  
Attention! (Huh!)  
Representing all the women, salute, salute!

[Leigh-Anne:]  
Sisters we are everywhere  
Warriors, your country needs you  
If you're ready ladies, better keep steady  
Ready, aim, shoot  
Don't need ammunition, on a mission  
And we'll hit you with the truth  
Divas, queens, we don't need no man, salute!

[Perrie:]  
Sisters we are everywhere

Warriors, your country needs you  
If you're ready ladies, better keep steady  
Ready, aim, shoot  
Don't need ammunition, on a mission  
And we'll hit you with the truth

Ladies all across the world  
Listen up, we're looking for recruits  
If you're with me, let me see your hands  
Stand up and salute  
Get your killer heels, sneakers, pumps or lace up your boots  
Representing all the women, salute, salute!

You think we're just pretty things  
You couldn't be more wrong  
(We're standing strong, we carry on)  
Knock us but we keep moving up (we're moving up, yeah)  
Can't stop a hurricane, ladies it's time to awake (yeah!)

Attention!  
Attention!  
Attention!  
Individuals!

Originals!  
Huh!  
Let me hear you say,

Ladies all across the world  
Listen up, we're looking for recruits  
If you're with me, let me see your hands

Ladies, the time has come, the war has begun. Let us stand together.  
 And remember, men fight great, but women are great fighters
