

Little Mix - Secret Love Song

Tom: G

^D When you hold me in the street
^G And you kiss me on the dance floor
^{Em} I wish that it could be like that
^C Why can't it be like that, cause I'm yours

^G We keep behind closed doors
^{Em} Every time I see you, I die a little more
^C Stolen moments that we steal as the curtain falls
^{G D} It'll never be enough

^G It's obvious you're meant for me
^{Em} Every piece of you it just fits perfectly
^C Every second every thought I'm in so deep
^{G D} But I'll never show it on my face

^{Am} But we know this, we got a love that is hopeless

CHORUS

^G Why can't you hold me in the street?
^{Em} Why can't I kiss you on the dance floor?
^C I wish that I could be like that

^D Why can't we be like that? Cause I'm yours

^G When you're with him, do you call his name,
^{Em} Like you do when you're with me, Does it feel the same?
^C Would you leave if I was ready to settle down?
^{G D} Or would you play it safe and stay
