

# Little Mix - These Four Walls

Tom: G

<sup>Em</sup>  
I feel so numb  
<sup>G Am</sup>  
Staring at the shower wall <sup>C</sup>

<sup>Em</sup>  
It's begun,  
<sup>G Am</sup>  
The feeling that the end has come <sup>C</sup>  
<sup>Em D</sup>  
And now the water's cold

<sup>G</sup>  
I tried to eat today  
<sup>Em C</sup>  
But the lump in my throat got in the way  
<sup>Em G Am</sup>  
In this time I've lost all sense of pride <sup>C</sup>  
<sup>Em D</sup>  
I've called a hundred times  
<sup>Em C</sup>  
If I hear your voice I'll be fine

<sup>G C</sup>  
And I, I can't come alive  
<sup>G C</sup>  
I want the room to take me under  
<sup>G C</sup>  
'Cause I can't help but wonder  
<sup>G D Em</sup>  
What if I had one more night for goodbye?  
<sup>Em G D</sup>  
<sup>C</sup>  
If you're not here to turn the lights off, I can't sleep  
<sup>C G</sup>  
These four walls and me

<sup>Em</sup>  
I lay in bed  
<sup>G Am C</sup>  
Can't seem to leave your side  
<sup>Em</sup>  
Your pillow's wet  
<sup>G Am C</sup>

From all these tears I've cried  
<sup>Em D</sup>  
I won't say goodbye

<sup>G</sup>  
I tried to smile today  
<sup>Em C</sup>  
Then I realized there's no point anyway

<sup>Em G Am C</sup>  
In this time I've lost all sense of pride  
<sup>Em D</sup>  
I've called a thousand times  
<sup>Em C</sup>  
If I hear your voice I'll be fine

<sup>G C</sup>  
And I, I can't come alive  
<sup>G C</sup>  
I want the room to take me under  
<sup>G C</sup>  
'Cause I can't help but wonder  
<sup>G D Em</sup>  
What if I had one more night for goodbye?  
<sup>Em G D</sup>  
<sup>C</sup>  
If you're not here to turn the lights off, I can't sleep  
<sup>C G</sup>  
These four walls and me

Oh Oh

<sup>G C</sup>  
And I, I can't come alive  
<sup>G C</sup>  
I want the room to take me under  
<sup>G C</sup>  
'Cause I can't help but wonder  
<sup>G D Em</sup>  
What if I had one more night for goodbye?  
<sup>Em G D</sup>  
<sup>C</sup>  
If you're not here to turn the lights off, I can't sleep  
<sup>C G</sup>  
These four walls and me
