

Little Mix - These Four Walls

Tom: G

Em
I feel so numb
G Am C
Staring at the shower wall

Em
It's begun,
G Am C
The feeling that the end has come
Em D
And now the water's cold

G
I tried to eat today
Em C
But the lump in my throat got in the way
Em G Am C
In this time I've lost all sense of pride
Em D
I've called a hundred times
Em C
If I hear your voice I'll be fine

G C
And I, I can't come alive
G C
I want the room to take me under
G C
'Cause I can't help but wonder
G D Em
What if I had one more night for goodbye?
Em G D
C
If you're not here to turn the lights off, I can't sleep
C G
These four walls and me

Em
I lay in bed
G Am C
Can't seem to leave your side
Em
Your pillow's wet
G Am C

From all these tears I've cried
Em D
I won't say goodbye

G
I tried to smile today
Em C
Then I realized there's no point anyway
