

# Little Mix - Weird People

Tom: Bb

(com acordes na forma de G)  
 Capotraste na 3ª casa  
 [1 Parte]

When I was just a little kid, I was sitting on the garden wall  
 (Oh, get off the wall)

Well, I must've bumped my head 'cause I don't dance the same  
 no more  
 (Oh, fell off the wall)

And now I step out of the crowd and I party on the other side  
 (Oh, the other side)

And ain't no uptight sucker gonna tell me how to live my life  
 (I'm living my life)

Pré-Refrão:

We're gonna get weird all night

I said now let's get weird all night

Refrão:

Weird people on the dance floor

We're just doing what we came to do

'Cause we're all weird people and we love it

Don't let them other suckers hate on you

'Cause we're all weird people and we're shaking

From the basement to the roof

You know the people on the bus and the people on the street

People like you and the people like me

Weird people (let's get weird)

2 Parte:

I see a slick city boy with his fellas hanging by the bar  
 (Oh, get off the bar)

He got the money and the Benz but it don't mean a thing at all  
 (Oh, nothing at all)

Well, mister, let me tell you this, you can get a little weird  
 for free  
 (Oh, get it for free)

'Cause it don't matter who you are, you can be who you wanna  
 be  
 (Oh, you wanna be)

Pré-Refrão:

We're gonna get weird all night

I said now let's get weird all night

Refrão:

Weird people on the dance floor

'Cause we're all weird people and we're shaking

From the basement to the roof

You know the people on the bus and the people on the street

People like you and the people like me

Ponte:

Well, there's something 'bout that boy  
 (There's something 'bout that girl)

There's something 'bout that boy  
 (There's something 'bout that girl)

I ain't doing nothing wrong, baby, I'm just feeling myself

I'm just gonna twerk it out like I ain't afraid for my health

Pré-Refrão:

We're gonna get weird all night

I said now let's get weird all night

We're gonna get weird all night

I said now let's get weird all night
