

Little Mix - Wings

Tom: **D**

Em
Mama told me not to waste my life

A
She said spread your wings my little butterfly

Em
Don't let what they say keep you up at night

A
And if they give you shhh then they can walk on by

Em
My feet, feet can't touch the ground

A
And I can't hear a sound

But you just keep on running up your mouth yeah

Em
Walk, walk on over there

A
Cos I'm to fly to care, oh yeah

Em **D**
Your words, dont mean a thing

G
I'm not listening

A
Keep walking, all I know is

Em

G

D

A
And they can't detain you

E
Cos wings were made to fly

G
And we don't let nobody bring us down

D
No matter what you say it won't hurt me

A
No matter if I fall from the sky
