

Little Quirks - Crumbled

Tom: **Db**

m [Intro] **Dbm**

I left a note written in your room to find

E A
A way on in inside, until I find my feet

I found a girl where I hid away and she

In the silence she could hardly speak

Cautious breaths she took **Dbm B**

B **A** **Dbm**

For it crumbled and it thread through your lies

A **Dbm**

B
For the words stung as they crawled down your spine **Dbm**

I'll watch your step

Dbm

I travelled round and I moved away and keep

Dbm **E** **A**
All the demons from following me

E **Dbm B**
Get me out of here

A (**A E Dbm B**)

(**A E Dbm B**)

(**A E Dbm B**)

(**A E Dbm B**)

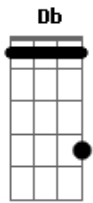

Dbm

And then you said I told you so

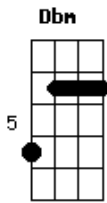

B
And played the game I ought to know

Dbm
And then I'll wait and bring you back to me
