Parte 2 de 2

[Primeira Parte]

Don't you know  
When the love of your life  
Come across  
And she stabs a knife  
At your heart  
Bring memories  
When you're sixteen  
Days of a future past  
Where you are meant to be

[Refrão]

She's my cherry heart-shaped girl  
With her ruby heart-shaped ring  
She don't know where she belongs  
But I think she belongs with me

She's my cherry heart-shaped girl  
With her ruby heart-shaped ring  
I could stare her all day long  
That's why I dance and sing

[Segunda Parte]

Don't you know  
That you've always been wanting  
Her to love  
And a kiss of goodbye  
To store  
Deep in the road  
Of your decline  
Once the toad  
Now the castle's princess  
Is thyne

[Refrão]

She's my cherry heart-shaped girl  
With her ruby heart-shaped ring  
She don't know where she belongs  
But I think she belongs with me

She's my cherry heart-shaped girl  
With her ruby heart-shaped ring  
I could stare her all day long  
That's why I dance and sing

And make things betwixt  
Tuna's nest  
And gratinado  
She is the best  
That's why it is so hard to don't love her
