

Live - Pain Lies on the Riverside

Tom: C

Am Dm
I have never taken life
Am Dm
Yet I have often paid the price
Am Dm
And you, you are a victim of this age
Am
And the guilt that hangs around your neck
Dm
Has got me locked up in a cage
F G Am
You've to to learn to live until no end
F G
But first you must learn to swim
E
All over again
Because
Am Dm
Pain lies on the riverside
Am Dm
And pain will never say goodbye
Am Dm
Pain lies on the riverside

E F G
So put your feet in the water now
E F G
Put your head in the water now
E
Put your soul in the water
F G Am
And join me for a swim tonight
Am Dm
I have forever, always tried
Am Dm
To stay clean and constantly baptized
Am Dm
I am aware that the river's banks are dry
Am
And to wait for a flood
Dm
Is to wait for life
F G Am
I've got to learn to live until no end
F G
But first I must learn to swim all
E
Over again
Because
