

Lizia - Baby Stay

Tom: D

Cause today I woke up so alone
 And I needed a hug
 And you come to me
 Like a soft kiss
 And babe you love me

 Hey come to me
 And blow me with a kiss
 Hey, don't give it up of the
 Things you deserve

 Hey, why'd you go?
 I need you so much
 Baby don't let me go

Baby don't go
 Hey why'd you go?
 I breath your love
 Baby don't let me alone
 Baby stay

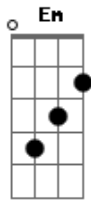

If you can need someone
 You know that you deserve this love
 And I miss you so much like the fishes
 Needs the water and the sky needs
 The shines of the sun

Hey why'd you go away?
 I wanted you to stay
 Baby why'd you go?
 I love you so
