G G7
On the bridges side that faces towards

The jail
Am G F
Setting out to join a demographic
C F
He hoists his first leg up over the
C
Rail

C F
A phone call's made, police cars show
C

Up quickly
G G7 C
The sergeant slams his passenger door
Am G
He says, Hey son why don't you talk

Through this with me
C F
Just tell me what you're doing it for
C

[Chorus]

Am C
Oh, it's a little bit of everything
Am Em
It's the mountains, it's the fog
F C
It's the news at six o'clock
G G7
It's the death of my first dog
C F
It's the angels up above me
C C Am
It's the song that they don't sing
G G7 C
It's a little bit of everything

[Verse 2]

C F
There's an older man who stands in a
C
Buffet line
G G7
He is smiling and he's holding out his
C
Plate

Am G
And the further he looks back into his
F
Timeline
C F
That hard road always led him to
C
Today

C F
Making up when his bright future
C
Had left him

G G7
Making up for the fact that his only
C
Son is gone

Am G
And letting everything out once, his
F
Server asks him

C F
Have you figured out yet, what it is
C
You want?

[Chorus]

Am C
I want a little bit of everything
Am Em
The biscuits and the beans
F C
Whatever helps me to forget about
G G7
The things that brought me to my
C
Knees
C F
So pile on those mashed potatoes
C C Am
And an extra chicken wing
G G7 C
I'm having a little bit of everything

[Verse 3]

C F C
Somewhere a pretty girl is writing
C
Invitations
G G7
To a wedding she has scheduled for the
C

Fall
Am G
Her man says, Baby, can I make an
F
Observation?

C F
You don't seem to be having any fun at
C
All

C
She said, You just worry about your
F C
Groomsmen and your shirt-size
G G7
And rest assured that this is making
C
Me feel good

Am G
I think that love is so much easier
F
Than you realize

C F
If you can give yourself to someone
C
Then you should

[Chorus]

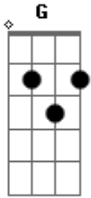

Am C
Cause it's a little bit of everything
Am Em
The way you joke, the way you ache
F C
It is getting up before you
G G7
So I could watch you as you wake
C F
So on the day in late September
C C Am
It's not some stupid little ring

G G7
 I'm getting a little bit of
 C
 Everything

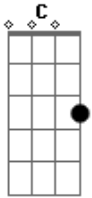

Am C
 Oh, it's a little bit of everything
 Am Em
 It's the matador and the bull
 F C
 It's the suggested daily dosage
 G G7
 It's the red moon when it's full
 C F
 All these psychics and these doctors

C C Am
 They're all right and they're all
 Wrong
 C F
 It's like trying to make out every
 Word
 C Am
 When they should simply hum along
 C
 It's not some message written in the
 F
 Dark
 C C Am
 Or some truth that no one's sees
 G G7 C
 It's a little bit of everything
