

# Lizzy McAlpine - Come Down Soon

tom:  
**Bb**  
**Eb7M**  
 He leans out the window of the car as it rolls away

He says  
**F**  
 Do you come here often?

I have to laugh 'cause that's so cliché  
**Dm7**

**Eb7M**  
 He knows me too well

So he parks just to walk me in  
**Eb7M**  
 He says  
**F**  
 Do you want to leave yet?  
**F E Eb**  
 Only if I leave with him

**F Dm7 Eb7M**  
 Oh, it'll come down soon

**Eb F Eb7M**  
 Nothing this good ever lasts this long for me  
**F**  
 Oh, it'll come down soon

You'll see

**Dm7 Eb7M**  
 Oh, it'll come down soon

**F Eb7M**  
 Nothing this good's ever really good for me  
**F**  
 Oh, it'll come down soon

You'll see

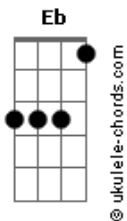

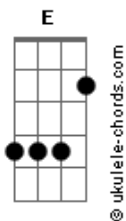

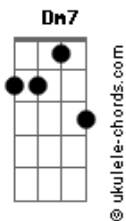

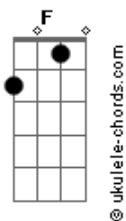

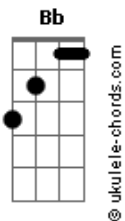

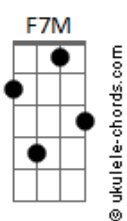

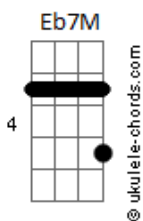

**Eb7M**  
 Here's a cigarette

He offers in his outstretched hand  
**F**  
 I remind him

I don't smoke these  
**F7M**  
 He says: I knew that

**Eb7M**

## Acordes

Someone opens a window  
**Eb7M**  
 Music spills onto the dirt  
**F**  
 But we stand here in the freezing cold  
**Eb7M**  
 And wonder who will kiss who first

**F**  
 There's something here  
**F**  
 I'm biding time till it disappears

**Dm7 Eb7M**  
 Oh, it'll come down soon

**Eb F Eb7M**  
 Nothing this good ever lasts this long for me  
**F**  
 Oh, it'll come down soon

You'll see

**Dm7 Eb7M**  
 Oh, it'll come down soon

**F Eb7M**  
 Nothing this good's ever really good for me  
**F**  
 Oh, it'll come down soon

You'll see
