

# Lizzy McAlpine - Same Boat

tom:

[Primeira Parte]

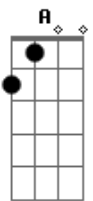

**D**  
If I had the chance  
To see the Northern Lights  
**D A G**  
I would book the next flight  
**D A**  
And I'd buy a jacket  
**D**  
If I had the chance  
To see snow fall for the first time  
**D A G**  
I would stop and rewind  
**D A**  
To re-find the magic  
[Pré-Refrão]  
**G D**  
But if there was ever a chance to tell you  
**Gb Bm**  
That I think about you every single day  
**A G**  
I don't know if I could take that chance  
**D A**  
Or take your hand and say  
[Refrão]  
**G Bm**  
You are on my mind (Oh, oh)  
**A**  
When I miss the snow (Oh, oh)  
**G**  
You show up when I hear that song or  
**Bm A**  
I finally start watching that TV show  
**G Bm**  
I don't why every time that I think of home

I can picture you standing in the col  
**A Bm A D G**  
But I, I'm scared 'cause I don't know  
**D G**  
If you and I are in the same boat  
[Segunda Parte]  
**D**  
If I had the chance  
If you asked out of the blue  
**D A G**  
How I really truly feel about you  
**D A**  
I don't have a clue how that would go  
**D**  
Oh, if I had the chance  
Would I really tell you?  
Would I bare my soul and maybe end up  
**D A G**  
Crying in the bathroom?  
**D A**  
Or would I ask you to kiss me slow?  
[Refrão Final]  
**G Bm**  
'Cause you are on my mind  
**A Gbm**  
When I miss the snow  
**G**  
You show up when I hear that song or  
**Bm A**  
I finally start watching that TV show, oh-woah  
**G Bm**  
I don't why every time that I think of home  
**A**  
I can picture you standing in the cold  
**A Bm A D G**  
But I, I'm scared 'cause I don't know  
**D G**  
If you and I are in the same boat
