

Lobão - O Mistério (Acústico MTV)

Tom: G

Int: G D C

Acho que o mistério me escapa...

E daí que estou cansado

Talvez um dia eu acabe por me convencer

De que estou enganado

E ache o porquê

De todo o mal parado

Que eu senti sem ver

E talvez um dia respirar sem medo

Nada me leva a crer que eu descubra

Todo esse segredo a tempo

E a vontade de saber o que aconteceu

Não me sai do pensamento

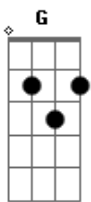

Não me deixa respirar

Não me sai da idéia o tempo

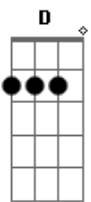

Até o mistério clarear

E depois de tudo descansar sem medo...
