

Lobo - Don't Expect Me To Be Your Friend

Tom: Db

(com acordes na forma de G)

Capostrate na 6ª casa

Intro: G C G C

I stopped sending flowers to your apartment
 You said you aren't home much anymore
 I stopped dropping by without an appointment
 Cause I'd hear laughter coming through your door
 (G C)

Sometimes late at night you'll still call me
 Just before you close your eyes to sleep
 You make me vow to try and stop by sometime
 Baby, that's a promise I can't keep

I love you too much to ever start liking you
 So lets just let the story kinds end
 I love you too much to ever start liking you
 So don't expect me to be your friend
 (G C)

I don't walk down through the village or other places
 That we used to go to all the time
 I'm trying to erase you from my memory
 'Cause thinking of you jumbles up my mind
 I love you too much to ever start liking you
 So lets just let the story kinds end
 I love you too much to ever start liking you
 So don't expect me to be your friend

(G C)

You always act so happy when I see you
 You smile that way you take my hand and then
 Intro: duce me to your latest lover
 That's when I feel the walls start crashing in
 I love you too much to ever start liking you
 So lets just let the story kinds end
 I love you too much to ever start liking you
 So don't expect me to be your friend
