

# Lobo - Reason To Believe

tom:  
Gb (forma dos acordes no tom de G )  
Afinação: Eb Ab Db Gb Bb Eb

Intro: Eb Bb Cm Ab Bb  
If I listened long enough to you  
I'd find the way to believe that it's all true  
Knowing that you lied straight faced while I cried  
Still I looked to find the reason to believe

Someone like you makes it hard to live without somebody else  
If I give you time to change my mind  
I'd find the way to leave the past behind  
Knowing that you lied straight faced while I cried  
Still I looked to find the reason to believe

Someone like you makes it easy to give never thinking of myself  
Someone like you makes it easy to give never thinking of myself

If I listened long enough to you  
I'd find the way to believe that it's all true  
Knowing that you lied straight faced while I cried  
Still I looked to find the reason to believe  
Someone like you makes it hard to live without somebody else  
Someone like you makes it easy to give never thinking of myself  
But if I give you time to change my mind  
I'd find the way to leave the past behind  
Knowing  
Knowing that you lied straight faced while I cried  
Still I looked to find the reason to believe  
I looked to find the reason to believe  
Give me hope to find the reason to believe
